

LONDON STUDENT VISA WAIVER FORM

Students who decide to go to student visitor visa route, which is granted not in advance but on arrival in the UK, must sign the waiver below and return it to SU Abroad by **November 15, 2009**.

Name: _____
(please print)

I am not going to apply for the Tier 4 Student Visa and will enter the UK as a student visitor. I have read the London Student Visa packet and I understand the following:

- 1) It is my responsibility to carry the necessary paperwork, including financial documentation and SU Abroad immigration letters, when I enter and exit the UK.
- 2) I can be refused re-entry to the UK at any time during the program when returning from Europe or elsewhere.
- 3) I cannot work, volunteer, or undertake an internship, which may limit my opportunities to participate in SU London's community involvement activities and opportunities to engage with Londoners.
- 4) I may not be able to participate in the fieldwork of certain classes, including PRL, PSY, ADV, PAF, and SOC, and understand I may have to undertake alternate assignments. For example, if the class assignment is to create a campaign for a real-world charity or participate in a conference, which would involve placements off-site, I understand I would have to base my work on a fictional entity.
- 5) I cannot extend my stay in the UK, but must leave at the end of the program.
